a) In G.O. dated 8.7.25 the Supdt. of Rev Survey requested to submit proposals for a revision of the muzvai Registers. Both the Supdt and the M.C have discussed the subject and the note enclosed with the M.C's letter (P.V.D) contains their joint views

b) The M.C suggests that a separate Establishment under the Rev Dept. maybe sanctioned for a year at an estimated cost of Rs 65'00 to be met from the Interest Earnings of the Cyclone Fund. The names of three retired officers are suggested in charge of the Establishment.

c) There is no doubt that the Establishment, if sanctioned will make a satisfactory file of these registers which are much out of date and the Registers can be brought up to date & printed. However we must be prepared for the Establishment lengthening out its existence for a year ~~[illegible]~~ or more than is now contemplated.

d) As a more modest proposal we suggest I suggest that the information available in the Dharmasthe Supdt maybe caused to be sent to each Taluk office and a small ~~[illegible]~~ bonus sanctioned to the muzvai clerks or any other officials to prepare a register for the Taluks.

e) The proposals of the M.C are submitted for orders

1) Omission of columns 8, 9 & 10, as the information to be furnished under them does not find an appropriate place in the register. The orgs may be accepted.

2) As regards land inams belonging to an institution two registers, one arranged according to locality and another according to institutions, are proposed to be compiled. This will make the work heavy. The present register may first be completed

35. It is admitted that the Muzrai quit-rent registers now ~~compiled is~~ are in use in the Talugs defective. The points for consideration are, firstly, in what form the registers should be recompiled and brought up to date and secondly, what is the agency to get through this work as expeditiously as possible and with the minimum of cost.

36. With a view to settle these questions, a register in the form suggested was required to be prepared experimentally in the Bangalore Taluk. The register compiled in accordance with the instructions of Government has been received. If as suggested by the Muzrai Commissioner (vide para 4 of his letter) two sets of registers are to be prepared one arranged according to locality and another according to the institutions, it would be desirable to have full particulars of all ~~some~~ sources of income accruing to a temple noted in the institutionwar register. Villagewar registe will be ~~a~~ the khatewar and the institutionwar will serve the purpose of a khate. In the latter may be included headings relating to recovery of rent and date of credit as well as the inam lands endowed to institutions and situated outside the taluk.

PRD

37. As regards the agency for the work of compilation, the suggestion made in the Muzrai Commissioner's letter of 24th July 1926 involves heavy cost. To entrust the work to the Muzrai clerks in the taluks under the supervision of the Amildar seems to be ~~the best~~ more recommended ~~arrangement~~. The compilation made by these clerks may be subjecte to the scrutiny of Muzrai

"For this purpose it is unnecessary to have a register of the sort now prepared in the Taluk Office written up for each Taluk. This register is merely a reproduction of the Quit rent and Cash grant registers. It will be sufficient for our purpose to make a separate list of institutions which have Inam lands in more than one village and of which the lands are leased out. The number of such institutions will be small and there can be no great difficulty in either writing it up or seeing each year with reference to it whether the rents to be due are being all realised. To

Maharaja of Mysore, Revenue Department.

SIR,

With reference to your letter No.434/Muz.173-24, dated 14-10-1925 regarding the revision of Muzrai registers etc, I have the honor to state, on personal consultation with the Muzrai Commissioner and on further consideration, that it seems to be enough for the present to confine our attention to the revision of the Muzrai registers, the funds required for which can be provided by the Muzrai Department.

The revision of all the Inam registers is a large question and one to which justice cannot be done by any amount of mere correspondence with the Taluks. It can only be satisfactorily performed by one or two Officers with an adequate staff visiting each Taluk, halting there for a considerable period, overhauling the registers and making enquiries as to present enjoyment and other facts throug the medium of the village officers of each village where Inams are situated or are being enjoyed. It is estimated to take at least 6 or 7 years to complete an enquiry of this sort. The labour and cost and expenditure of public time involved by such a roving commission will be heavy and while it is true that the Inam registers are old and not up-to-date nor properly arranged, it is still a matter for doubt if there is any imminent need for such a big and costly enquiry.

In

In these circumstances, it seems best to revise the Muzrai registers alone for the present as suggested by the Muzrai Commissioner in the Muzrai Department, the Inam Department helping with the information at its disposal.

I regret there has been a certain amount of unavoidable delay in replying to your letter owing to pressure of other work such as resettlements etc.

I have the honor to be,

Sir,

Your most obedient servant,

D. Srinivasa Iyengar

and for this purpose -- the entertainment of the marginally noted clerical and menial establishment working under an Officer of an Assistant Commissioner's or Amildar's status - for a period of one year is necessay.

As regards the officer, a selection may be made from --- among the following Retired Officers

(1) Mr. Mrityunjaya Iyer, } Retd Asst Commrs
(2) " Hayagriva Rao }
(3) " S. Dharma Rao (Retired Amildar)

The officers selected may be paid a remuneration of Rs.150/- per month and allowed travelling allowance at the rates he was entitled to while in service.

The cost of the clerical establishment amounts to Rs.2628/ and a provision of at least Rs.1300/- has to be made for the --- Officer. The travelling allowances for himself and the ------ establishment may amount to Rs.2400/-. On the whole, the --- revision would entail an outlay of Rs.6500/- which may be met --

Government have in their order No.21/Muz.173-24-5 dated 8th July 1925 requested the Superintendent, Revenue Survey and Settlements, to submit for consideration by them proposals for a thorough and satisfactory revision of all the Inam Registers. A copy of the same having also been received in this office, the Survey --- Superintendent was requested to meet the Muzrai Commissioner to - discuss the matter in person. After fully discussing the details and the various aspects of the question on 31-8-1925, the following decision was arrived at.

2. The work connected with the revision of the general Quit-Rent register is one of vast dimensions in as much as it involves nearly 60,000 cases of Inams and it requires considerable clerical labour and cost. Over 40,000/- of these cases relate to enfranchised inams and in regard to these elaborate enquiries and revision are not called for and it will be enough to note their present condition, (Survey No., area, assessment etc.,) and the present owners. This ca be done in each Taluk just as is being done with regard to Govern lands. A reprint of the register for these cases is not required present, and if necessary the question may be considered later on. It will serve all practical purposes if the register of Inams in t Taluks is kept up-to-date by necessary transfers of Khates etc.

3. A thorough and satisfactory revision of the Muzrai register i.e., those showing Devadaya Inams and Cash grants to institutions a individuals can no longer be put off and the same has to be undertak immediately. It is desirable to have two distinct compilations -- one arranged according to locality and another according to institutio The latter register will be a very useful one, since it will contain i one place all the inams-- both land and Cash belonging to an institutio and the risk of losing sight of them will be entirely avoided. This necessary for a proper administration of Muzrai Institutions. As -- regards the compilation to be prepared Talukwar, it is necessary to continue the existing registers viz. Muzrai, Quit-Rent, Cash Grant, and Malnad Cash Grant, but a reprint of the same after a thorough - evision has to be undertaken. At present whole inam villages ---- endowed to religious and charitable institutions as well as inam --- grants in which there has been a combination of different tenures,

register. This defect has to be rectified by including such in that register and in the proposed institutionwar register. present Muzrai Quit Rent register was printed, new land grants have e made in exchange for those that have come under submersion etc., Such -- cases have to be incorporated in the new register after obtaining informat from the District Officers. Then again there are instances of parties no enjoying land inams instead of cash grants, and vice versa. These change will have to be incorporated in the appropriate registers.

4. It has been directed in the Government order referred to above that this work will have to be undertaken by the Survey and Inam Superintendent. But in view of the restricted nature of the revison the Survey Superintende agreed that it would be better if the work was done in the Revenue Departm consulting the Inam Superintendent's office where necessary. It will be necessary to place on special duty for 6 months an officer of Assistant -- Commissioner's grade with 4 or 5 clerks. This officer will have to prepar a draft out of the materials available in the Muzrai Inam and Survey office and then visit the Districts and get the entries checked and verified with reference to the District and Taluk registers and local information. The Compilations thus compiled and verified will have to be printed."

OFFICE OF THE MUZRAI COMMISSIONER
IN MYSORE.

Bangalore, 7th March 1927

FROM

P. G. D'Souza, Esq., B.A., B.L.,
MUZRAI COMMISSIONER IN MYSORE.

To

B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

With reference to correspondence ending with your letter No.1529/M.F.173-24 dated 15th February 1927, I have the honor to forward herewith the manuscript register of Muzrai Institutions endowed with Inam lands in the Bangalore Taluk received with the Deputy Commissioner's letter No.C.3-347/26-27 dated 21st February 1927 and to state as follows:--

The Deputy Commissioner makes the following suggestions

(i) That it is not necessary to provide for the inclusion of ---- particulars of other sources of income accruing to a temple, as suggested by the Amildar. (vide his report)

(ii) That the headings relating to the recovery of rent and date of credit may be dispensed with.

(iii) That inam lands endoved to Institutions but situated outside the Taluk may also be br ught on to the register.

& (iv) That immoveable properties endoved by Devotees but not accepted by Government on behalf of Institutions need not be entered in the register.

3. The form prescribed by Government is a combination of cash-grant and quit-rent registers and it will therefore serve the purpose of an authortative permanent record. Particulars as to the terms of holding details of lease and recovery of rent are subject to variations at short intervals and these do not therefore appropriately find a place in the register. As suggested by the Deputy Commissioner, columns 8,9, & 10 may be omitted.

r. S. undaram Iyer, was of opinion that t registers as are now compiled are defective in as much did not give place all the inams belonging to an instit even though su s were situated in different Taluks and therefore suggested that wi h a view to supply this omission, two compilations, one arranged according to locality and another according to Institution may be made. It seems that such a compilation is a necessity in the interests of the Institutions themselves and that arrangements may -- now be made for the preparation of the two sets of registers.

5. Suggestion (No.iv) made by the Deputy Commissioner is not quite clear but it seems to me that it refers to endowments made by private individuals for general benefit of an institution or for the specific performance of sevas on their behalf. I am of opi ion that these -- cannot appropriately find a place in the register now proposed to be compiled.

In this connection, I beg to invite kind reference to Mr. Balasundaram Iyer's letter dated 11th July 1925 (Re endowment of Mr. Chowbeene Subbaiya in favour of Sri Gangadhareswaraswami temple at Seringapatam) opining that in regard to such lands, i.e., kandayam paying lands, there is one other point that deserves consideration and that is that if they are alienated through negligence of ------ supervision etc., they cannot be resumed like inam lands summarily and that as the temple authorities and local officers have to guard against any such contingency, an up-to-date compilation showing the endowments other than Government grants, was a desideratum.

I am also of opinion that the present opportunity may be ---- availed of to make a compilation of the kind.

6. The favour of further instructions in the matter is awaited.

I have the honor to be,
S i r,
Your most obedient servant,

for Muzrai Commissioner. 21/3/27

Sir,

In obedience to your memo no C.3.847 dt 21/9/26.
regarding the preparation of a revised Quit rent register I beg to submit herewith the register compiled as per directions. In the preparation of this register drawn endowed to Each institution have all been brought together, the names of the person who enjoys the land, also shown therein amount of lease and the conditions of the lease are also shown where the lands have been leased out

But the form prescribed does not give us particulars of other sources of income of the institutions which is intended to bring all income from sources in one place, the heading prescribed are defective. Hence on the other hand the headings in the form now prescribed relating to the receipt of rent and duties of court or Shirastadars

Again this register only furnishes information regarding the grants made or enjoyed within the Taluk and a few lands relating to these institutions outside the Taluk are not brought on the register. Similarly lands belonging to the institutions outside the Taluk though brought on the register may be omitted from the register maintained in the other Taluks where the Taluk has any means of enquiring into the entries of these lands. This can be avoided only by having a register containing Inam property endowed in trust accepted by Government on behalf of these institutions and entered in the register to save either the Government or the institution from being dragged to litigation
